Items Not Available at Novi

Novi Public Library is a member of The Library Network (TLN) and participates in the Michigan Electronic Library Catalog (MeLCat) program. Both programs broaden the number of titles you can borrow beyond our local holdings. There are more than 60 TLN libraries in SE Michigan where you may use your Novi library card. A complete list is available on our website.

Request an Item

You may put materials on hold by using the online catalog or calling the Information Desk. You will need your library card and PIN. When an item becomes available, you will receive a mailer, an e-mail, or an automated telephone call indicating the item is available for pick-up. Items are held for a maximum of 7 days. In accordance with privacy laws, the library card used to request the hold must be used to check out the item.

Pick-Up Options for Available Items

1. **Self Service Holds** in the lobby—Items are arranged by last name.
2. **Drive-up Window**—Call us to move your available item to the window for pick-up.
3. **After Hours Holds**—If you cannot come to the Library during NPL business hours, call us to arrange for this service. Your requested item(s) will be placed in a locker available only after closing and until opening the next business day. If not picked up in the allotted time, the item will be removed and the hold will be terminated.

Drive-up Window

You may pay fines (cash/check only) or pick up holds at the Drive-up Window using your library card. Call us to arrange to have your hold waiting for you at the window.

Keep Your Account in Good Standing

Fines are charged on overdue materials to ensure the timely return of items for other members of the community to enjoy. If your account exceeds the maximum fine, your library privileges will be suspended until materials are returned and fines are paid. All fines and fees must be paid prior to annual renewal. If you have a question about your account, call or visit us online.
