What's New:

The Teen book Club had its first meeting on February 17th. Thirteen teens committed to participate. They selected the book *I'll Give You the Sun*: by Jandy Nelson Winner of the 2015 Michael L. Printz Award as their first read. The grant from Community Financial will be used to provide the selected books for the teen participants.

Congratulations to our 2016 scholarship winner, Catherine Boileau. She is an outstanding student with a 4.0 GPA. She plans on attending Northern Michigan University, studying Secondary Education. Her Extracurricular Activities, Community Service, Honors, and Employment Activities placed her well above the other applicants.

The 3D printer that the Friends purchased for the Library has arrived. One of the Information Technology staff will attend our April meeting and tell us more about the printer and how they plan to use it. Friends are welcome to attend.
