Family Medicine

Marcus DeGraw, MD
Pediatrics

Joanne Shamoun, RPh
Pharmacist

Get answers on prevention, diagnosis and treatment.

Meet our panel of medical experts and ask questions, learn about what causes HPV, how it can be prevented, and the effectiveness of the HPV vaccination in preventing certain types of cancers in preteens and teens.

Registration is not required. Sponsored by The American Cancer Society in collaboration with St. John Providence and the Michigan Health Department and Centers for Disease Control.

**Monday,
February 26,
6-7pm**

**Event location:
45255 W. 10 Mile Rd.
Novi, 48375**

Ascension
