

Want a digital version of yours and your family's library cards so you always have them on hand?

The smartest card in your wallet just got even smarter and easier to use! Use your smart phone to add your Library card and/or family members' Library cards to the Novi Public Library Mobile App, making it more convenient to scan at any checkout station.

- **Step 1:** In the app, choose "Barcode Wallet."
- **Step 2:** Choose "Add a card."
- **Step 3:** Decide on a Card Label such as "My Library Card."
- **Step 4:** Enter your Library card barcode without spaces and press "Add Card."

That's it! You can now proudly show your Novi Public Library Card anytime you need it. Repeat steps 1-4 for each card you want to add.
