

Use your driver's license or your active library card to check out these tools for the **Cricut Maker** from the 2nd floor Information Desk:

For more information about these tools, visit help.cricut.com and select: Blades, Tools, and Accessories

-Fine Point Blade (for cutting paper and vinyl)

-Rotary Blade (for cutting fabric)

-Bonded-Fabric Blade (for cutting bonded fabric or fabric with an iron-on backer)

- Scoring Wheel -2 pieces **#01 & 02** (Creates extra-deep score lines for folds in both thick and thin materials)

- **Fine Debossing Tool #21** (it presses into your material (like cardstock) to create a crisp imprint)

- **Engraving Tip Tool #41** (inscribes into material (like metal or acetate) to create an etched, permanent imprint.)

- **Basic Perforation Blade Tool #11** (Creates tear-offs and easy peel-aways using paper, cardstock, acetate, poster board, and more)
