## What's New:

As you probably know, our Friends Appreciation Event was held August 26, 2016 on the Library Patio – An Evening of Jazz with the Friends.

We enjoyed the music of the Marion Hayden quartet, wine tasting and light refreshment by Cantoro's, a demo of the 3D printer (purchased by the Friends) by Dominic Doot, a Silent Auction, raffle and lots of good conversation.

We honored a longtime Friends member and donor, Town and Country Eyecare. Dr. Timothy Kirk accepted the plaque. Town and Country Eyecare has been a corporate Friend since 1994 – 23 years!

We also honored Dr. Steve Matthews, Superintendent of the Novi Public Schools. He has been a good friend and promoter of the Library. The Novi Library and the Friends are currently engaged with the Novi Schools in the program Raising a Reader in Novi.

Joining over 150 of our closest Friends at the party were longtime Friends supporter State Representative Kathy Crawford and her husband Hugh (Oakland County Commissioner) as well as Mayor Bob Gatt, and Library Board members Tara Michener, Bill Lawler, and Ramesh Verma.
