

Pasadena Villa Psychiatric Network is committed to meeting the growing need for psychiatric services in Michigan by providing residential and outpatient treatment for adults (18+) with mental health conditions and substance use disorders. With over 25 years of clinical excellence, we take a comprehensive, whole-person approach to care, addressing the presenting issues and the underlying conditions to maximize each person's recovery potential.

WHAT WE TREAT & HOW WE TREAT

Pasadena Villa treats a wide range of mental health disorders and co-occurring conditions across our residential and outpatient treatment facilities. Using evidence-based approaches tailored to each individual's needs (may vary by location), we offer multiple treatment options in environments that promote health, recovery, and personal motivation.

THERAPIES WE USE

- Art & music therapy
- Acceptance & commitment therapy (ACT)
- Cognitive behavioral therapy (CBT)
- Cognitive processing therapy (CPT)
- Dialectical behavior therapy (DBT)
- Experiential therapy
- Family therapy
- Individual & group therapy
- Medication evaluation & management
- Medication-assisted treatment (MAT)
- Relapse prevention
- Recreational therapy
- Seeking safety

CONDITIONS WE TREAT

- Anxiety disorders
- Bipolar disorder
- Depression and mood disorders
- Personality Disorders
- Trauma & Post-traumatic stress disorder (PTSD)

In addition, our residential program also treats:

- Co-occurring autism spectrum disorder (ASD)
- Co-occurring substance use disorder (SUD)
- Obsessive Compulsive Disorder (OCD)
- Schizophrenia & other psychotic disorders
- Thought disorders

PAYMENT OPTIONS

Our facilities provide a range of payment options, including in-network, out-of-network, and private-pay rates that vary by location. Speak with our admissions team for more details.

LEVELS OF CARE & LOCATIONS

Pasadena Villa bridges the treatment gap between acute hospitalization and traditional outpatient to improve clinical outcomes and maximize each person's long-term recovery potential through a full continuum of care in Michigan.
