# Friend's Giving Tree 

## Help our Giving Tree grow by purchasing an imprinted leaf

The Friends of the Novi Library are pleased to offer an opportunity to show your support for the library and to honor your loved ones. Gift a leaf with your special message to be displayed on the Friend's Giving Tree.

Our stunning bronze tree, donated by Joyce Cherf, displays 200 leaves that come in gold, silver and bronze. All donations will benefit the Novi Public Library and their efforts to continue to expand and improve their offerings to the community.

Text on the Giving Tree may be up to 23 characters per line, including punctuation and spaces. Indicate your text below. Please print clearly.

For questions or more information: Friends of Novi Library President, Sue Johnson
