

A photograph of a man with short brown hair and a light beard, smiling warmly. He is holding a baby who is sleeping peacefully. The man is wearing a blue sweater, and the baby is wearing a white and blue striped shirt and blue pants. They are sitting on a dark-colored couch in a bright, indoor setting with large windows in the background.

Knowing your cancer risk can help you prevent it.

Check your risk.

Take the ACS **CancerRisk360™** assessment. In about 5 minutes, get personalized insights on daily choices, family genetics, and screenings.

Know your risk.

Understand factors that impact your cancer risk and talk to a doctor to get the whole picture.

Reduce your risk.

Make meaningful changes — big or small — to improve your overall health. We're here to support you every step of the way!
